

BALDUCCI'S

FOOD LOVER'S MARKET

Balducci's Food Lover's Market is proud to announce the anticipated opening of their newest location at Reston Town Center in Reston, VA in spring 2018. As a renowned food destination for over 100 years, the gourmet market will be the anchor store in Boston Properties' The Signature, a luxury residential project with ground-level retail.

"We are thrilled about joining the Reston community and look forward to bringing our exemplary food selections and impeccable service to new area customers," said John Coleman, a Balducci's spokesperson.

The Reston site will be the eighth full-service store for Balducci's, with locations operating in New York, Connecticut, Maryland and Virginia.

"Balducci's is a best in class gourmet market that will serve as a tremendous amenity not only for residents of The Signature, but for the Reston community as a whole. Our team is very excited to be partnering with Balducci's on this exciting new destination," said Rich Ellis, Vice President of Development for Boston Properties.

The heart of each Balducci's location is marked by a team of chefs and passionate specialty food lovers, comprised of butchers, fishmongers, as well as bakery and cheese experts. Every market has an Executive Chef preparing a selection of fresh prepared foods every day as well as Catering Managers who can develop a menu perfect for any occasion.

Many of the Balducci's stores, including the newest location in Reston, have a wide selection of wine and craft beers, giving customers a fully curated shopping experience.

The Signature is a 516,000 square footage development featuring 508 luxury rental units and ground level retail located in the heart of Reston Town Center at 11850 Freedom Drive. The project broke ground in November 2015 and is scheduled to deliver in early 2018 (for more information see www.signaturereston.com).
